Dear Mr. Milton:

This is to confirm arrangements for Acting CIA Director Robert M. Gates' address at the Association of Former Intelligence Officers (AFIO) New York on Monday, 23 March, 5:30 p.m. at the University Club in New York City.

The proposed format for the reception and meeting is approximately 30 minutes of remarks which are to begin at 6:00 p.m. followed by 30 minutes of Questions and Answers. Adjournment is scheduled between 7:00 - 7:15 p.m. According to our telephone conversation, only members and their guests whose names appear on the guest list will be admitted, and neither the media nor foreign nationals will be present. When former Director Casey spoke to your group in November, 1984, Ms. Patricia Milton was the official AFIO photographer for the evening. Please let us know your plans on this. As soon as it is convenient, I would appreciate knowing who will introduce Mr. Gates. Please have a microphone and podium available. We also request that AFIO tape his speech for our historical records. Short biographies of those individuals with whom he will be in contact would be appreciated.

I will be in touch with you when we know the Acting Director's wishes concerning the proposed off-the-record dinner following his presentation. Enclosed for your information is a biography and photograph of Mr. Gates. Thank you for your kind attention to these details and for the information that you have provided. If you have any further questions on the arrangements for the event or if there is anything I can do to help you, please feel free to call me on

Dear George:

In pursuant of our conversation, I am writing to you in arrange a date for Bob Gates to address our group in New York City sometime in the near future.

We are very flexible as to our meeting schedule. We usually meet on a week-day evening at approximately 5:30 P.M. depending on our speakers schedule. We try to schedule three meetings a year and have enjoyed such speakers as Bill Colby, Vladimir Sakharov, Arnaud de Borchgrave and the present DCI.

We invite our members along with members of the Veterans of OSS so it makes for a very interesting gathering of those who have dedicated themselves to intelligence and the intelligence community.

I hope Mr. Gates's plans will enable him to address our group, for I know our members will be thrilled with an opportunity to visit with him.

I will be looking forward to hearing from you. If you would like any additional information, please feel free to contact me at 516-621-5252.

Very truly yours,
